February 2012

Dear Parents and Carers

Your child has been entered for both the Edexcel Linear and AQA Unit 1 Modular exams in the March exam series. The Edexcel Linear non-calculator paper is on Friday 2<sup>nd</sup> March and the AQA Unit 1 and the Edexcel Linear calculator paper are both on Monday 5<sup>th</sup> March.

It is imperative that the students attend all three exams. Should they be ill and unable to attend an exam school will need a doctor's note which will be forwarded to the exam board.

In order to support your child staff will be teaching a revision session over the half term break on Monday 13<sup>th</sup> February from 9am to 1pm. Can I also take this opportunity to remind you of the revision sessions that are available on Tuesday after school and Thursday lunch times.

I look forward to being able to discuss your child's progress with you at the parents evening on Tuesday 7<sup>th</sup> February.

Yours sincerely

G Hardy  
Curriculum Leader Mathematics
