26 September 2011

Dear Parent / Carer

As Acting Curriculum Leader of English I am writing to all parents of Year 11 students to inform them that their son / daughter will be taking an English examination on 10th January 2012. This examination comprises 40% of their GCSE final mark. This mark is made up of 25% based on a question on a Shakespeare play they have studied, 25% on a novel they have studied and 50% on writing for a particular purpose, which is not specified by the examination board.

I would ask you to support your son / daughter and encourage them to make the most of their English lessons, their set homework and any additional assistance given to them by their teacher.

Should you wish to discuss this matter, please do not hesitate to contact me at school.

Yours sincerely

Mrs F Norton
Acting Curriculum Leader, English
